WHEN will all of this happen?

- SJSL and SJGSL will change website providers and carding authority
- Process will begin immediately
- Effective with the Fall 2018 season
- Factors in early club tryout season

WINNER

Current Website Issues

- Communication Issues
- Tracking Reports
- Game Day Rosters
- Dual carded players
- Transfers/Disbanded Teams
- Mobile App
- Unresponsive to League Concerns

New Website Provider

- Switching to GotSoccer
 - As website provider
 - Game scheduling engine
 - Creating Game Day Rosters
 - GotSoccer Team App

Current Carding Issues

- Leadership Concerns
- Dual carded Players
- Inability to Suspend Coaches
- Communication Issues
- Lack of Support
- Financial Issues
- Rostering problems

New Carding Authority

- Switching to US Club
- USYS vs. US Club
- Required Constitution Changes

Financial Impact

- **New Website Costs**

- League website – covered by the leagues (for at least 3 years)
- Negotiated rate
- Club portals – no requirement to switch; use of links

Financial Impact

- Player cards - \$15/yr for US Club (same cost)
- Negotiated down from \$18 for U8-11 and \$24 for U12-19
- Guaranteed for 3 years
(and then \$18 for 2 years)

\$15

Financial Impact

- Coach passes - \$48 for a 2 year pass
- (\$25 for the pass; \$18 for background check; \$5 for online safety course)
- SJSL will offer a \$10 discount per team registration for the Fall 2018 season to help offset costs

Background Checks

- Both USYS and US Club have mandatory background check requirements.
- Municipal or other background checks cannot be substituted for the US Club background check

Financial Impact

- Rec players - \$10 per player (same as USYS)
- Includes player insurance

Financial Impact

- League fees will continue to be invoiced and collected as in the past
- Player and coach passes are paid to US Club through the US Club platform. Payment must be tendered before passes can be approved and printed.

Carding Process

- On each league website, there will be a link provided that will take clubs to the US Club registration platform. Training in the actual carding process will be provided.
- Most passes are approved within 48 hours. All card processing and transfers are handled online by a paid staff in the US Club headquarters. Coach passes will take about a week because of the background check.

**KEEP
CALM**
only
**48 hours
TO GO**

Carding Process

- Rostering information will carry over from season to season.
- League games can be set up for GotSoccer points.

Rostering

- You will have to enter your information to create your team roster through the US Club platform, AND you will have to enter/upload your roster information into the league website.
- This will be similar to previous years where the rosters were done in Gotsoccer (per NJYS), and the leagues used different website providers.

Rostering

- You can have different team and “event” rosters.
- Once you enter your roster into the league website, you must follow the league guidelines regarding roster sizes, adding players and transfers.
- You cannot just use any player carded to your club.

Game Day Rosters

- GDRs will still be used, but will look different.
- Home team still reports the score.
- Both teams must still complete the online ref eval.

Additional notes on reverse:

Guest Players

- SJSU and SJGSL will evaluate the effectiveness of the Guest Player policy at the conclusion of the Spring 2018 season.
- If it proves to have been successful, we will continue it in the Fall 2018 season. The exact procedure at that time will be explained to everyone.

Dual Carding

- The system will automatically prevent a player from being dual carded unless the league expressly allows dual carding.
- The normal default in the US Club carding system is to not allow dual carding.
 - A league can agree to permit dual carding which would allow players to play on more than one team, or in more than one league.
 - If a player is dual carded, they cannot play on more than one team playing in SJS� or SJGSL.
 - Each club will also have the ability to restrict which if any other clubs that their players may play on.

Tournaments?

- Most tournaments are “unrestricted” tournaments, and they accept both USYS and US Club passes.
- If, however, a tournament is listed as “restricted”, you will need to have the passes accepted by that tournament, whether they accept USYS or US Club passes.

State Cup?

- In order to compete in the NJYS State Cup series, you will need to also be carded with USYS passes. If you are carded with USYS passes and also playing in another league, you can play in the NJYS State Cup.
- Once you are carded with US Club passes, you are eligible to play in the New Jersey Cup.

ODP

- Players are not required to be carded on NJYS/USYS passes in order to tryout for ODP.
- However, there may not be a convenient South Jersey tryout location.
- US Club offers an alternative program known as the Player Development Program or PDP and it falls within the iD2 Program approved by USSF. More information is available on the US Club website.

South Jersey Soccer League

League Specific Topics

SJSL Constitution Amendments

- Removes requirement that the League be affiliated only with NJYS and USYS
- Allows the League to be affiliated with one or more state or regional youth soccer associations
- Allows for rescheduling of the Annual Meeting with 30 days notice

SJSL Rule Revisions

- Removes references to NJYS and BlueStar
- Allows for carding to a different regional youth soccer association and changes affected provisions
- Modifies disbanding procedure
- Recognizes requirement to complete ref evals

Referee Eval Surveys

- Mandatory for BOTH teams!
- Due no later than noon the day after the game is played.
- \$25 fine.
- Questions should be directed to firsttrustee@sjsl.org.
- List posted on website.
- Invoices sent monthly to clubs.

Guest Players

- ALL requests must go through link on website (complete required Google form)!
- Deadline for requests is Friday at 8:00pm before a Sunday game (or at least 48 hrs prior to a game on any other day).
- All requests must conform to Rule 5005.
- Guest players can only be added using the GDR Addendum.
