# Blue Star and US Soccer

Our relationship:

- 2013 – Game Officials selected for the US Soccer Referee Program
- 2015 – Bonzi selected for the Development Academy and US Open Cup
- 2016 – Contract extended on all programs including the addition of the US Soccer National Data Center (USSF/FIFA Connect)

In-Network State Associations will receive exclusive benefits:

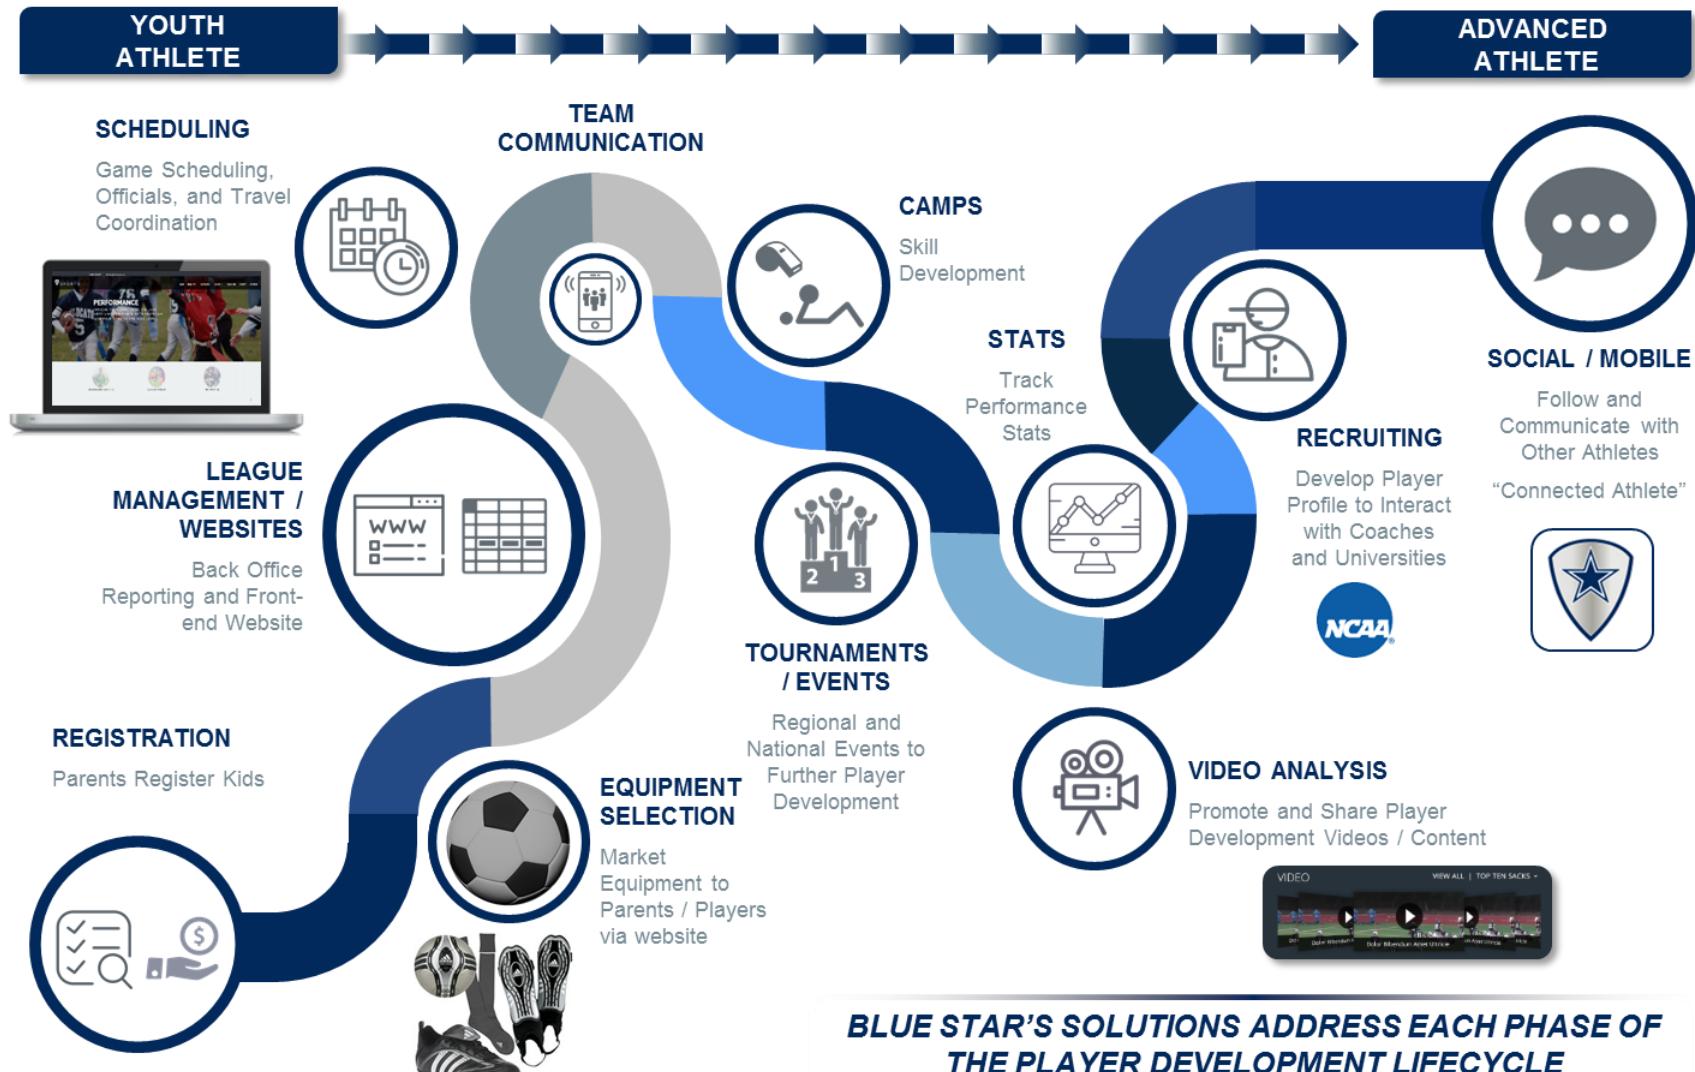

- Connect directly to US Soccer & FIFA Connect
- FIFA ID numbers automatically issued
- Track players across state associations
- Faster, easier ITC compliance
- Easily manage out-of-state and international players
- Opportunity to connect for coach license
- U.S. Soccer-designed digital player card and mobile app
- Early-adopters help establish “best practice” toolbox for states

## Unique Online Registration - Managed by Coaches

*Process used when Coaches create rosters and/or bring complete teams into the Club*

Coach registers to the Club to submit a Team and completes an application and background check if needed

Club approves cleared Coach and gives access to Bonzi Team

Coach then manages his/her team using the Bonzi Team dashboard and Mobile Application

Invited players are then registered by their Parents including waivers, fees, photo and documents.

Club and Association has record of all registrations, waivers and documents for member eligibility

Coach can use “connect code” to enter Teams into League and Cups

The screenshot shows the Bonzi Team software interface. At the top, it displays the team name "Blast - Springfield SC". On the left, there is a sidebar with various management options: Team Feed, Email & Announcements, Roster, Schedule, Attendance, Text Alerts, Forms, Docs & Files, Photos, and Team Settings. Below the sidebar, there are download links for Google Play and the App Store. The main content area shows a feed of recent activity, including posts from Phil Johnson about games and alerts. To the right of the feed, there is a promotional banner for SignUp.com and a section for upcoming events. A large image of a woman holding a soccer ball and a smartphone displaying the app is overlaid on the bottom right.
