SPRING SCHEDULE

- The Spring 2020 Schedule will be posted on or about March 1st and will be live and available by computer and mobile device.
- Reminder – U10 and below standings and game scores will not be publicly posted.

RATINGS

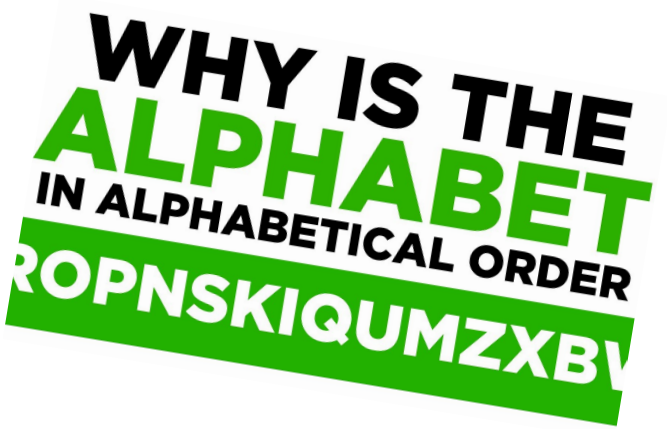

- Feedback was received from head coaches, club reps and club presidents. Some coaches were not selected by their clubs at the time the ratings were started.

- The system is not (cannot be) perfect.
- Generally, the top 1-2 teams from last season move up. The bottom 1-2 move down.
- Flight #s from the Fall have nothing to do with the Spring.
- Flights usually consist of 6 teams to maximize the number of games played.
- There are usually fewer team in the Spring than the Fall

RATINGS

- SJSL - There are no ratings within a flight – just alphabetical order.
- SJGSL – Teams are ranked within their flights.
- Emails were sent to all teams before the ratings were posted. Most alignment issues were resolved before the official comment period.
- Tournament results have no impact on league ratings.
- Please do not complain if you did not submit a comment.
- Comments were only considered if submitted by the head coach, club rep or club president.
- **Remember – we often have information that you do not when we are moving teams around.**

SOUTH JERSEY SOCCER LEAGUE
LOTG Addendum

FACT SHEET
All Divisions Spring 2020 Season
(Revision February 6, 2020)

FIFA Laws of the Game apply except as noted herein or as provided for in the relevant league rules. The June 2019 revisions to the LOTG will be used for the Spring season, with the noted changes. **This addendum is to be used for the coach's information and may not be used to challenge a referee's decision.**

Law 3 – substituted player(s) must leave on the players' side of the field and immediately go to the technical area, unless expressly directed by the referee

Law 5 – an injured player who is awarded a penalty kick and will be the kicker does not have to leave the field when treated for the injury

Law 7 – medical stoppages (drink/cooling breaks) – may be given to allow drink breaks of 1 min. and "cooling" breaks of 90sec to 3 min.

Law 8 – the team that wins the coin toss can choose the goal to attack or to take the kickoff; the team that decides which goal to attack takes the kickoff in the second half

Dropped ball – dropped for one player on the team that last touched the ball and everyone else must be 4.5 yds away. Ball is in play when it touches the ground. If dropped ball goes into goal without first touching at least two players, play is restarted with a goal kick if it enters the opponent's goal or a corner kick if it enters the team's goal.

Law 9 – dropped ball will be awarded if the ball hits the referee/match official and: (1) a goal scored; (2) a team starts a promising attack or (3) possession changes.

Law 10 – GK cannot score by throwing the ball directly into the other goal. A goal kick will be awarded.

- •the hand/arm is above/beyond their shoulder level (unless the player deliberately plays the ball which then touches their hand/arm)

The above offenses apply even if the ball touches a player's hand/arm directly from the head or body (including the foot) of another player who is close.

Except for the above offenses, it is **not usually** an offense if the ball touches a player's hand/arm:

•directly from the player's own head or body (including the foot)
•directly from the head or body (including the foot) of another player who is close
•if the hand/arm is close to the body and does not make the body unnaturally bigger
•when a player falls and the hand/arm is between the body and the ground to support the body, but not extended laterally or vertically away from the body

An indirect kick is awarded if a GK touches the ball with their hand after clearly attempting to kick the ball to restart play.

Team officials/coaches can receive a YC/RC; if the offender cannot be identified, the head coach will be carded.

Caution offenses include: persistently leaving the technical area; delaying the restart by your team; dissent by word or action including throwing things and gestures; persistent unacceptable behavior; showing a lack of respect for the game.

Sending off offenses include: delaying restart by opposing team; acting in a provocative or inflammatory manner; throwing/ kicking an object on to the field; entering the field to confront a referee at half time/end of the game; using abusive language.

All verbal offenses are restarted with an indirect free kick.

Law 13 – With a defensive wall of at least 3 players, all attacking players have to be at least 1m away. An indirect free kick is awarded if they encroach.

For free kicks from inside the penalty area:
For 7v7 matches: •Cannot cross the build out line until the ball: clears the penalty area, or it is touched by a second player on the kicking team
For 9v9 matches: •Cannot enter the penalty area until the ball: clears the penalty area, or it is touched by a second player on the kicking team

SJSL/SJGSL SPECIFIC HOT TOPICS

GOAL KICK

SUBSTITUTIONS

DROPPED BALL

HAND BALL

"IN THE OPINION OF THE REFEREE"

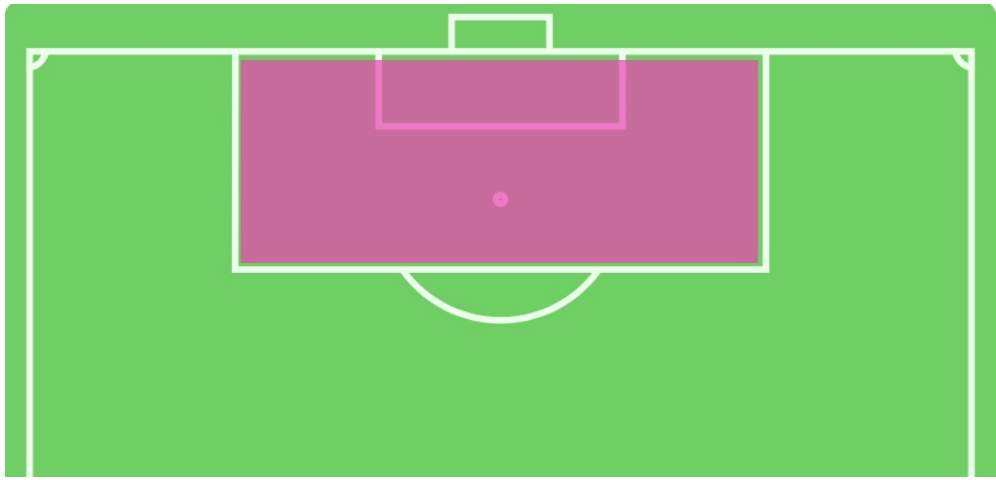

- Reminder – each match is controlled by the referee.
- Decisions are made to the best of the referee's ability, in the "spirit of the game" and in the opinion of the referee.
- These decisions must be respected. Law 5.

GOAL KICK

- For 7v7 matches:
- Cannot cross the build out line until the ball:
  - Clears the penalty area, or
  - It is touched by a second player on the kicking team
- For 9v9 matches:
- Cannot enter the penalty area until the ball:
  - Clears the penalty area, or
  - It is touched by a second player on the kicking team
- For 11v11 matches:
- Cannot enter the penalty area until the ball:
  - Is kicked and clearly moves

SUBSTITUTIONS

- ALL substitutions will be made on the players' side of the field, unless the referee indicates otherwise.

DROPPED BALL

- Dropped ball goes to one player on the team that last touched the ball.
- There is no challenge for the ball.

LAW 12 – "HANDBALL"

- It is natural for a player to put their arm between their body and the ground for support when falling.
- Having the hand/arm above shoulder height is rarely a 'natural' position and a player is 'taking a risk' by having the hand/arm in that position, including when sliding
- If the ball comes off the player's body, or off another player (of either team) who is close by, onto the hands/arms it is often impossible to avoid contact with the ball

LAW 12 – "HANDBALL"

- When the GK clearly kicks or tries to kick the ball into play, and the 'clearance' attempt is unsuccessful, the goalkeeper can then handle the ball without committing an offense

RATIONALE FOR THE CHANGE;

- Moves the focus from "intent/interference" (mental) to "outcome/impact" (physical).
- Makes a similar change for some "accidental" handball situations and when it is not clear if the handball is deliberate.
- The focus is now intended to be more "factual"
- Has the hand/arm had the effect of creating a bigger "barrier" for the ball/opponent (outside the normal playing silhouette)

"HANDBALL"

- "Tips of the fingers to the articulation of the shoulder"
- The fact that the ball may contact the hands or the arms during the course of the game is not sufficient, in and of itself, for a penalty to be called.
- In order for a violation to have occurred, the Referee (or Assistant Referee) must have seen the contact and must have judged that the contact violated the Law.

"DIRECT FREE KICK AWARDED":

- Deliberate handball remains an offense.

- The following 'handball' situations, even if accidental, will be a direct free kick:
  - The ball goes into the goal after touching an attacking player's hand/arm

"DIRECT FREE KICK AWARDED":

- A player gains control/possession of the ball after it has touches their hand/arm and then scores, or creates a goal-scoring opportunity

"MAKES BODY LARGER":

- The ball touches a player's hand/arm which has made their body unnaturally bigger

"ABOVE THE SHOULDER"

- The ball touches a player's hand/arm when it is above their shoulder (unless the player has deliberately played the ball which then touches their hand/arm)

"USUALLY NOT A FREE KICK":

- The following will not usually be a free kick, unless they are one of the above situations:
- The ball touches a player's hand/arm directly from their own head/body/foot or the head/body/foot of another player who is close/near

"ARM CLOSE TO BODY"

- The ball touches a player's hand/arm which is close to their body and has not made their body unnaturally bigger

"FALLING PLAYER"

- If a player is falling and the ball touches their hand/arm when it is between their body and the ground to support the body (but not extended to make the body bigger)

"GK ATTEMPTS TO CLEAR"

- If the goalkeeper attempts to 'clear' (release into play) a throw-in or deliberate kick from a team-mate but the 'clearance' fails, the goalkeeper can then handle the ball
