Goal Keeper Training

(Jill Loyden)

ABOUT TKI'S DIRECTOR

DESPITE NUMEROUS PERSONAL HARDSHIPS, JILLIAN LOYDEN HAS REMAINED PERSEVERANT TO BECOME A CHAMPION. WHETHER IT WAS THROUGH PLAYING, THE KEEPER INSTITUTE, OR HER NON- PROFIT ORGANIZATION, JILLIAN HAS ALWAYS FOUND A WAY TO WIN. SHE NOW WANTS TO SHARE HER PASSION, KNOWLEDGE, AND EXPERIENCES WITH THE NEXT GENERATION OF GREAT GOALKEEPERS.

JILLIAN LOYDEN

U.S. WOMEN'S NATIONAL TEAM GOALKEEPER

ABOUT | DEFINED BY GREATNESS

Jillian has become one of the best goalkeepers in the world despite suffering personal tradegy and untimely injuries. Loyden did not follow the normal ascension though our youth national team programs. She defied the odds when at the age of

24 she joined the senior U.S. Women's National Team. She has been a memeber of the U.S Women's National Team for the last 5 years and is also a current member of the NWSL Sky Blue FC.

Loyden has always seen herself as an underdog, and this mentality combined with her positive attitude, and a relentlesss fight, has allowed her to overcome life's adversity.

Unofficially called "The People's Keeper," Loyden approaches life with a smile, a commitment and a daily mission to helping others by infusing in them with the same mentality that she follows: ANYTHING IS POSSIBLE AND YOU ALWAYS FIND A WAY TO SURVIVE.

Mercy Rule

- The League has adopted mandatory sportsmanship guidelines to help avoid "running up the score" and to help control games involving teams of unequal skill or competitive levels. Pursuant to these guidelines, the league will enforce a zero tolerance policy.

- This rule applies to ALL games, U8-U19.

- Under no circumstances should the final goal differential in a SJSL sanctioned game ever become 7 or more goals.

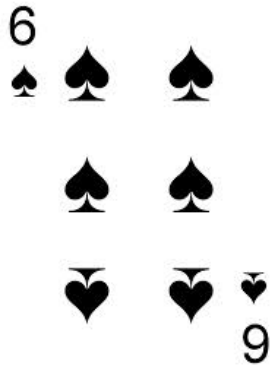

Mercy Rule

Maximum Goal Differential!

- If the goal differential becomes 7 or more at some point during the first half of play, for example, 7–0, 8–1, 9–2, etc., the game will be allowed to continue.
- If the second half starts with the goal differential being 7 or more goals, or if at any time during the second half the goal differential reaches 7 goals, the referee will immediately signal the end of the game and leave the field.
- The “winning” team will be sanctioned.

Ratings

(Bob Cooper)

(1) This is not a perfect process.

(2) Generally the top 1-2 teams in a flight from the previous season move up 1-2 flights.

(3) Generally the bottom 1-2 teams in a flight from the previous season move down 1-2 flights.

(4) Flights are usually comprised of 6 teams. Depending on registration numbers, sometimes we have to make some odd sized flights.

(5) Not everyone can (or should) be in Flight 1. Just because you were in Flight 1 (or any particular flight) before, does not mean that you will remain there.

Ratings
(cont'd)

(6) There are no ratings within a flight. The teams are simply listed in alphabetical order.

(7) The flight number from the fall rarely corresponds to the flight number for the spring.

(8) If you did not submit any comments, you cannot complain.

(9) Comments were only considered if they came from the head coach of the team or the club rep.

(10) Most importantly, please remember that we usually have information or feedback on other teams that you do not.

So What Does This Mean for My Current Team?

- **Current U9 team – DOB between 8/1/2006 and 7/31/2007:**
  - **The 8/1/2006 to 12/31/2006 players will be age appropriate for U11 for the Fall 2016 season.**

  - **The 1/1/2008 to 7/31/2008 players will be age appropriate for U9 for the Fall 2016 season.**

- **But you can still keep your team together!**

- **Just remember:**

- **Your U11 team for the Fall 2016 season could have 9 and 10 yr olds**
- **AND if you have players playing up, there could be some 8 yr olds (DOB 1/1/2008 to 7/31/2008)**

- **Some U11 teams could have 11 yr olds on the team when the Spring season starts (DOB 1/1/2006 to 3/1/2006)**

Plan Ahead

- Consider that younger players could be playing against players 2-3 years older
- Remember older players, not previously available, could now be age appropriate
- Consider what makes sense for your players, and not just your team
