Mercy Rule

- The League has adopted mandatory sportsmanship guidelines to help avoid "running up the score" and to help control games involving teams of unequal skill or competitive levels. Pursuant to these guidelines, the league will enforce a zero tolerance policy.

- This rule applies to ALL games, U8-U19.

- Under no circumstances should the final goal differential in a SJSL sanctioned game ever become 7 or more goals.

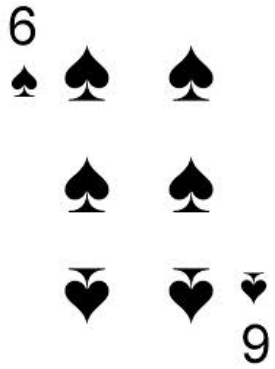

Mercy Rule

Maximum Goal Differential!

- If the goal differential becomes 7 or more at some point during the first half of play, for example, 7–0, 8–1, 9–2, etc., the game will be allowed to continue.
- If the second half starts with the goal differential being 7 or more goals, or if at any time during the second half the goal differential reaches 7 goals, the referee will immediately signal the end of the game and leave the field.
- The “winning” team will be sanctioned.

Ratings

(Bob Cooper)

- 1. Club reps were informed several times when the ratings would be posted on the website
- 2. The website listed when ratings would be posted
- 3. Emails are sent to coaches only as a courtesy
- 4. The ratings were posted on the website for four days
- 5. This same procedure is followed every season

Ratings

(1) This is not a perfect process.

(2) Generally the top 1-2 teams in a flight from the previous season move up 1-2 flights.

(3) Generally the bottom 1-2 teams in a flight from the previous season move down 1-2 flights.

(4) Flights are usually comprised of 6 teams. Depending on registration numbers, sometimes we have to make some odd sized flights.

(5) Not everyone can (or should) be in Flight 1. Just because you were in Flight 1 (or any particular flight) before, does not mean that you will remain there.

Ratings
(cont'd)

(6) There are no ratings within a flight. The teams are simply listed in alphabetical order.

(7) The flight number from the fall rarely corresponds to the flight number for the spring.

(8) If you did not submit any comments, you cannot complain.

(9) Comments were only considered if they came from the head coach of the team or the club rep.

(10) Most importantly, please remember that we usually have information or feedback on other teams that you do not.

Concussion Protocol

(Larry Young)

- USYS Protocol posted on website

- Step 1: Did a concussion occur?
- Step 2: Is emergency treatment needed?
- Step 3: If a possible concussion occurred, but no emergency treatment is needed, what should be done now?
- Step 4: A player diagnosed with a possible concussion may only return to play with a release from a medical doctor.

FACTS

- Concussion is a brain injury that alters the way your brain functions.
- Concussions can occur from a blow to the head/body; contact with the ground, ball or another player.
- Most concussions occur without a loss of consciousness (“passing out”).
- Severity of injury depends on many factors and is not known until symptoms resolve and brain function is back to normal.
- All concussions are not created equally. Each player is different, each injury is different, and your team medical staff should evaluate all injuries.
- Follow the “Rules of the Game” this will limit and decrease these types of injuries.

SYMPTOMS

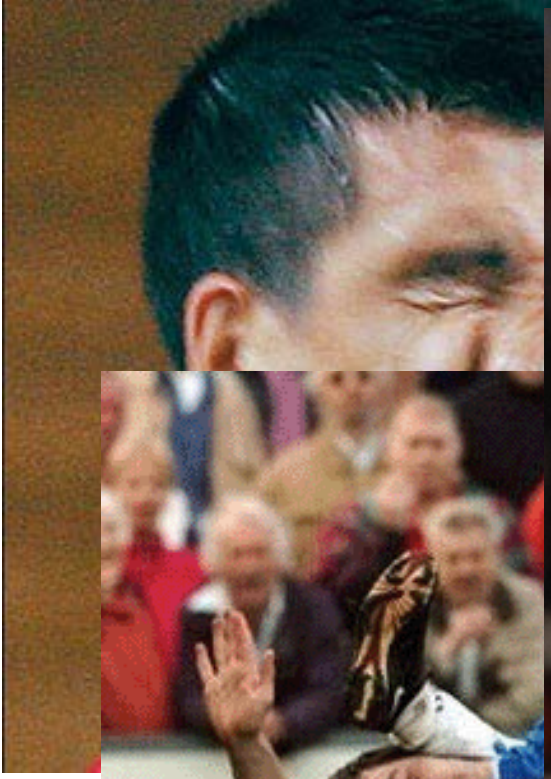

Different symptoms can occur and may not show up for several days. Common symptoms include:

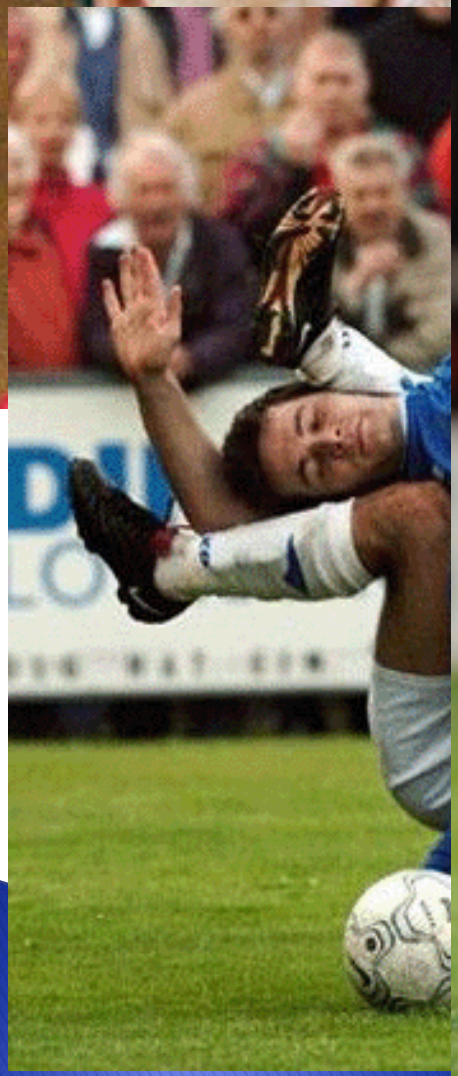

- Headache
- Loss of consciousness
- Confusion
- Double/Fuzzy vision
- Dizziness
- Balance problems
- Nausea
- Slow reaction time
- Amnesia/Difficulty remembering
- Difficulty concentrating
- Sensitivity to light and noise
- Feeling sluggish, foggy or groggy
- Feeling more emotional than usual
- Irritability

Summary of Rules in Effect for Fall 2016-Spring 2017

Registration date for determining player age for carding

- **Old Rule – August 1st**
- **New Rule – January 1st**
- **SJSL is following the birth year format.**

(Subtract the birth year from the spring year to determine age level for teams)

Example of age appropriate player for U14 for Fall 2016

- **Old Rule – Born between Aug. 1, 2002 and July 31, 2003.**
- **New Rule – Born between Jan. 1, 2003 and Dec. 31, 2003.**
- **Required by US Soccer. Effective for the Fall 2016 Season.**

For the Fall 2016 Season:

U8 – born in 2009
U9 – born in 2008
U10 – born in 2007
U11 – born in 2006
U12 – born in 2005

So What Does This Mean for My Current Team?

- **Current U13 team – DOB between 8/1/2002 and 7/31/2003:**
  - **The 8/1/2002 to 12/31/2002 players will be age appropriate for U15 for the Fall 2016 season.**
  - **The 1/1/20037 to 7/31/2003 players will be age appropriate for U14 for the Fall 2016 season.**
- **If this team stays together as is:**

They will play at the U15 age level

(as will ALL other teams with these birth dates)

- **If you have any U12 players playing up – DOB between 8/1/2003 and 7/31/2004:**
  - **The 8/1/2003 to 12/31/2003 players will be age appropriate for U14 for the Fall 2016 season**
  - **The 1/1/2004 to 7/31/2004 players will be age appropriate for U13 for the Fall 2016 season.**

- **But you can still keep your team together!**

- **Just remember:**

- **Your U15 team for the Fall 2016 season could have 13 and 14 yr olds**
- **AND if you have players playing up, there could be some 12 yr olds (DOB 1/1/2004 to 7/31/2004)**

- **Some U15 teams could have 15 yr olds on the team when the Spring season starts (DOB 1/1/2002 to 3/1/2002)**

Plan Ahead

- Consider that younger players could be playing against players 2-3 years older
- Remember older players, not previously available, could now be age appropriate
- Consider what makes sense for your players, and not just your team
