Ratings
(Bob Cooper)

- Club reps were informed several times when the ratings would be posted on the website
- The website listed when ratings would be posted
- Preliminary rating emails were sent to coaches only as a courtesy (if your email address was not in Bonzi you might not have received it)
- The ratings were posted on the website for 4 days
- This same procedure is followed every season

Ratings

(1) This is not a perfect process.

(2) Generally the top 1-2 teams in a flight from the previous season move up 1-2 flights.

(3) Generally the bottom 1-2 teams in a flight from the previous season move down 1-2 flights.

(4) Flights are usually comprised of 6 teams. Depending on registration numbers, sometimes we have to make some odd sized flights.

(5) Not everyone can (or should) be in Flight 1. Just because you were in Flight 1 (or any particular flight) before, does not mean that you will remain there.

Ratings
(cont'd)

(6) There are no ratings within a flight. The teams are simply listed in alphabetical order.

(7) The flight number from the previous season rarely corresponds to the new flight number.

(8) If you did not submit any comments, you cannot complain.

(9) Comments were only considered if they came from the head coach of the team or the club rep.

(10) Most importantly, please remember that we usually have information or feedback on other teams that you do not.

Concussion Protocol

(Larry Young)

- USYS Protocol posted on website

- If a player is suspected to have a head injury, the referee will stop play to allow for treatment or evaluation.
- A player with a suspected head injury may NOT return to the game unless a Health Care Provider or Certified Athletic Trainer clears the player.

Changes for the Fall

(Bob Cooper)

Player
Development
Initiatives

Implementation of US Soccer Player Development Initiatives

- **Changes for the Fall 2016 Season include:**

- **Registration by Calendar Birth Year**
- **How to Calculate Age Levels**
- **Number of Players on the Field**
- **Goal Keeper Restrictions**
- **Playing Up Rules**
- **Majority Rules**
- **Roster Sizes**
- **Field Sizes**
- **Goal Sizes**
- **Build Out Lines**

Which Rules Apply?

- US Soccer passed a series of Player Development Initiatives in August 2015 and continued to modify them all the way up through September 2016.
- NJYS has adopted and modified the PDI and allows for further league modification.

- **The SJSL Rules govern play in SJSL!**

Registration date for determining player age for carding

- **New Rule – January 1st**

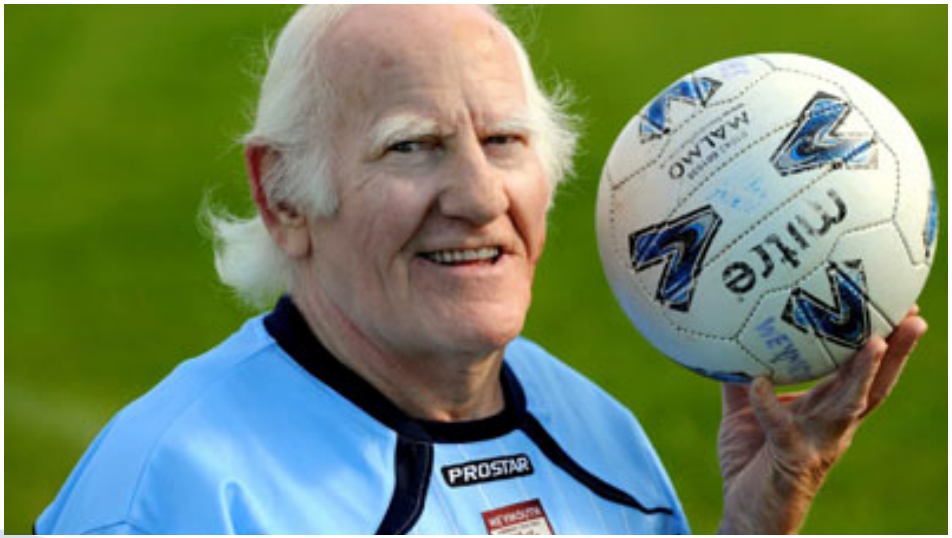

- **NJYS is following the birth year format.**

(Subtract the birth year from the spring year to determine age level for teams)

Example of age appropriate player for U10 for Fall 2016

- **New Rule – Born between Jan. 1, 2007 and Dec. 31, 2007.**

- **Team age is determined by the oldest player on the roster.**

Birth Years:

	U6	U7	U8	U9	U10
2016-17	Born in 2011	Born in 2010	Born in 2009	Born in 2008	Born in 2007
2017-18	Born in 2012	Born in 2011	Born in 2010	Born in 2009	Born in 2008

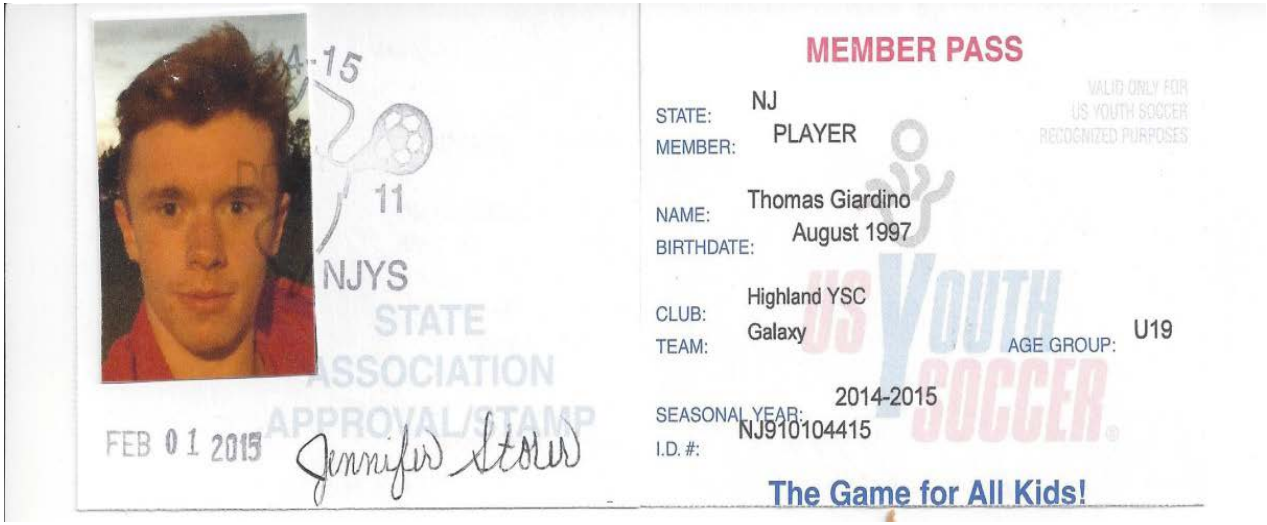

Impact on Your Team

- If your team from last year stayed together, some players could now be playing against players 2-3 years older
- Remember older players, not previously available, could now be age appropriate
- Consider what makes sense for your players, and not just your team

Card Validation Dates

- **Aug. 1st to July 31st.**
- **No change!**

Goal Keeper Punting

Level	New Rule	Comment
U8-U10	No, use of build out line	US Soccer

U8-U10 Field Build Out Lines

- Located halfway between penalty area and midfield (some fields may have it located at the 14 yd line)

- The build out line is used to promote playing the ball out of the back in an unpressured setting.

- When the goalkeeper has the ball for a goal kick, the opposing team must move behind the build out line. The ball cannot be touched until it passes out of the penalty area.

- When the goalkeeper has the ball during play (from the opponent), the opposing team must move behind the build out line.
  - 6 seconds starts after opposing team is behind line
  - Cannot cross line until ball is “in play”
  - Ball is in play when it leaves the goal keeper’s possession (rolled, thrown or passed)

Answers to Common Questions

- Off side- The build out line on the attacking half of the midfield line for each team will be used to determine offside.
- Who Moves- Only the opposing team is required to move beyond the build out line.
- Delay- You can be cautioned for failure to timely move back past the build out line for "Delay of restart".
- Punt/Drop Kick- If a GK punts or drop kicks the ball, an indirect free kick will be awarded to the opponent at the spot of the infraction.

Answers to Common Questions

- Early Play- If the GK releases the ball before all of the opponents move beyond the build out line – play on.
- Throws- The GK may throw the ball beyond the build out line.
- Goal Kick- Opponents must be beyond the build out line for goal kicks and cannot touch the ball until it clears the penalty area as usual.
- Kicking- After a save, GKs may release the ball to the ground and then kick it.

- **U11 and below: No!**
- **Intentional heading of the ball during a U11 and below game is considered a "dangerous play" and it will result in an indirect kick being awarded to the opponent from the point of the infraction.**
- **No heading in games or practices!**

IFAB Rule Changes

- Rule changes effective June 1, 2016 ***BUT*** for NJYS, will not be in place until Spring 2017.

- ie. Ball does not have to move forward; arms do not count for offside; attempted violent conduct receives red card even without contact

Mercy Rule

(Bob Cooper)

- The League has adopted mandatory sportsmanship guidelines to help avoid "running up the score" and to help control games involving teams of unequal skill or competitive levels. Pursuant to these guidelines, the league enforces a zero tolerance policy.
- This rule applies to **ALL** games, U8-U19.
- Under no circumstances should the final goal differential in a SJSL sanctioned game ever become 7 or more goals.

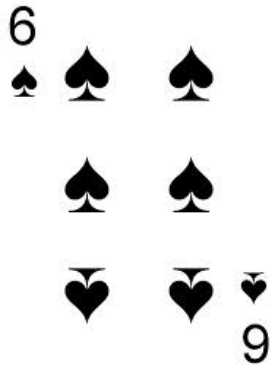

Mercy Rule

Maximum Goal Differential!

- If the goal differential becomes 7 or more at some point during the first half of play, for example, 7–0, 8–1, 9–2, etc., the game will be allowed to continue.
- If the second half starts with the goal differential being 7 or more goals, or if at any time during the second half the goal differential reaches 7 goals, the referee will immediately signal the end of the game and leave the field.
- The “winning” team will be sanctioned.
