Communication is Key!

- **By the Numbers:**

- Last season, >2,500 emails with roster issues
- 583 add/transfer online requests
- 486 online game reschedule requests
- 457 coaching education registrations (spring and summer)
- 255 guest player requests
- 2,515 coach license uploads (SJSL and SJGSL combined)

Communication is Key!

- We will be using the email addresses in GotSoccer for all communications with coaches, club presidents and club reps.

- For all club reps, including the alternate club reps, use the **"SJSL Boys"** label only. DO NOT use Boys Commissioner, Boys League Rep, club rep, League Representative, SJSL Rep, SJSL Rep Alternate. If you use these other labels, you will not receive the league emails.

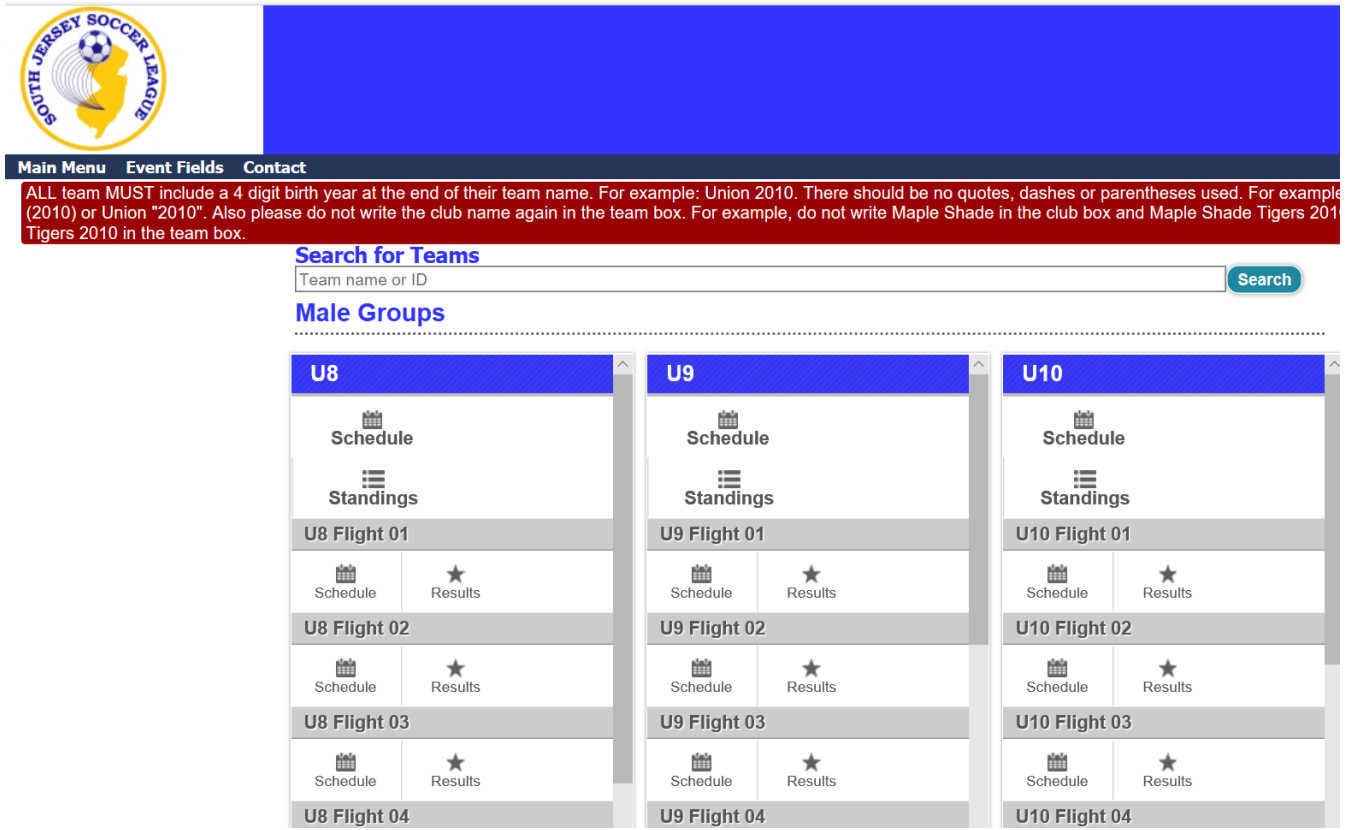

US Club

- US Club threw us a curve ball with the new National Registration System.
- It was not optional.
- There were a “few” hiccups along the way.
- There was a presentation made to all clubs.
- There was (and continues to be) a LOT of behind the scenes work.

Fall Schedule

- The Fall 2019 Schedule was posted on August 27th and is live and available by computer and mobile device.
- Reminder – U10 and below standings and game scores will not be publicly posted.

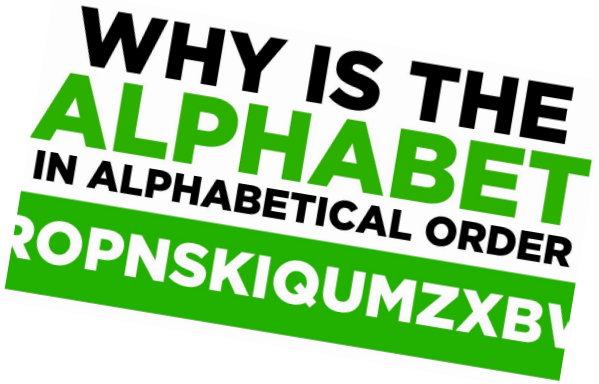

Ratings

- Some coaches were not selected by their clubs at the time the ratings were started. Feedback was received from club reps and club presidents

- The system is not (cannot be) perfect.
- Generally, the top 1-2 teams from last season move up. The bottom 1-2 move down.
- Flight #s from the spring do not correspond to the same placement in the fall.
- Flights usually consist of 6 teams to maximize the number of games played.

Ratings

- There are no ratings within a flight – just alphabetical order.
- Emails were sent to all teams before the ratings were posted. Most alignment issues were resolved before the official comment period.
- Tournament results have no impact on league ratings.
- You cannot complain if you did not submit a comment.
- Comments were only considered if submitted by the head coach, club rep or club president.
- Remember – we often have information that you do not when we are moving teams around.

Some Things are Still the Same!

Insanity: Doing the same thing over and over again and expecting different results.

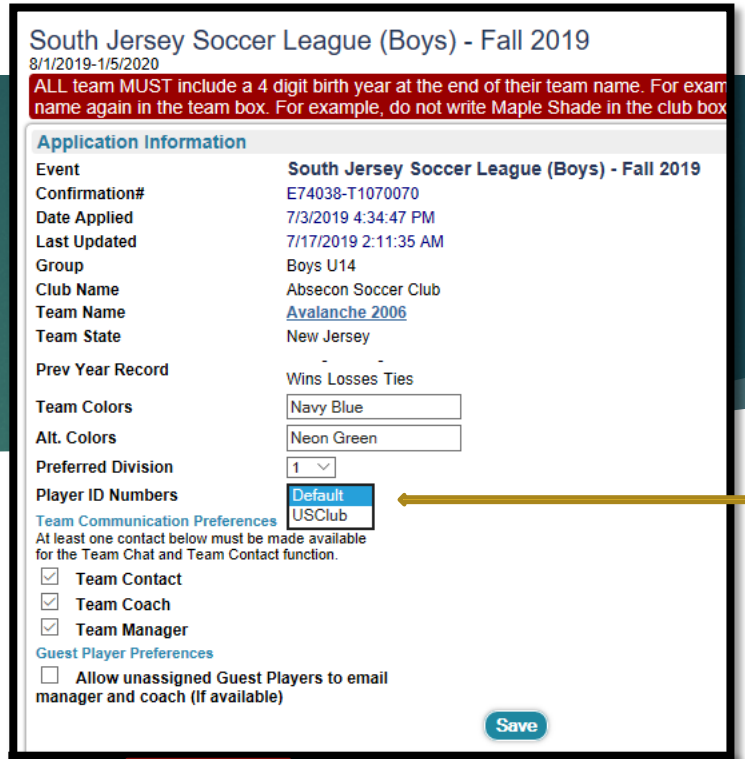

No Pass – No Play – No Exception!

- If you and/or your players are not carded right now, you might not be playing.
- If you do not have your Game Day Roster and your passes on game day, you cannot play.
- You cannot write on the GDR, except to make jersey number corrections.
- You need to have at least one coach (in your club) carded to the team to be able to play.

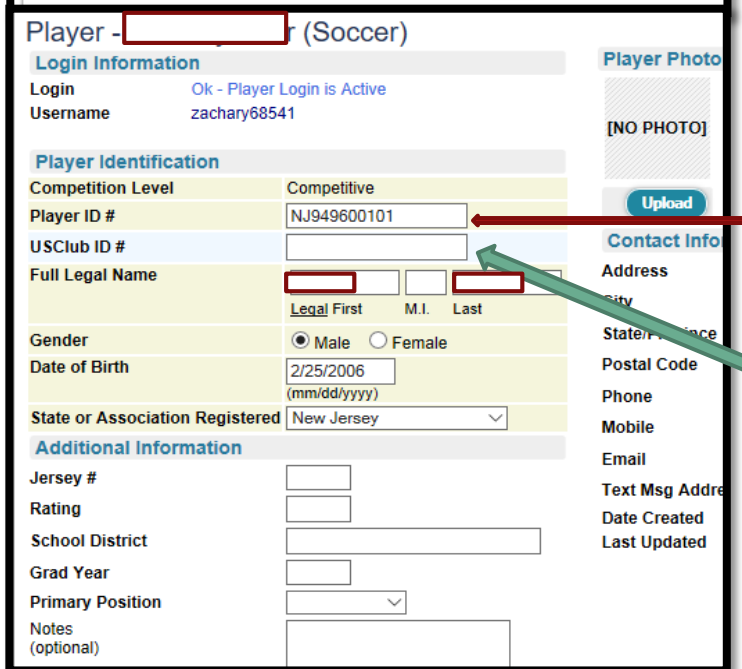

GDRs and Pass Numbers

- Like last year, you must change the Player ID Number from "Default" to "USClub".
- You must fill in the player's USClub ID # with the correct 8 digit number.
- If you have the same US Club number in both boxes, you can leave the choice set on Default.

Change to USClub

Old #s not valid in SJSL

Fill in US Club #

Coach Licenses

- As required last year, ALL head coaches, assistant coaches and anyone with a US Club staff pass on the players' side of the field must have a coaching license.
- ALL such individuals MUST have uploaded a copy of their license/ certificate to the website. Coaches who have not uploaded a license will be suspended.
- Only licenses accepted are the SJ Level 1 or 2; USSF Nat' licenses (with Rutgers safety course); NSCAA Nat'l and Adv Nat'l (with Rutgers safety course), or the NJ state F, E or D

- U8 (2012) teams must be 100% age appropriate

- U8-U14 players may play up 2 years with club approval
- U15 and above players may play up with club approval

Score Reporting

- Score reporting remains the same – Home team reports the score no later than noon the day after the game is played.
- Anyone on your team can report the score
- $25 fine for missed scores

Concussion Protocol

- If a player is suspected to have a head injury, the referee will stop play to allow for treatment or evaluation.
- A player with a suspected head injury may NOT return to the game unless a Medical Doctor certified in concussion protocols clears the player.
- If a coach or parent insists on returning the player to the field without such clearance, the referee will signal the end of the game.
- **Player safety comes first!**

7v7 Build Out Line

- Located halfway between the top of the penalty area and midfield (Must be clearly marked on the field; you cannot use cones!)
- The build out line is used to promote playing the ball out of the back in an unpressured setting.
- When a goal kick is being taken, the opposing team must move behind the build out line. The players cannot cross the build out line until the ball passes out of the penalty area.

7v7 Build Out Line

- When the goalkeeper has the ball during play (from the opponent), the opposing team must move outside the build out line.
- 6 seconds starts after opposing team is behind line
- Cannot recross line until ball is “in play”
- Ball is in play when it leaves the goal keeper’s possession (rolled, thrown or passed)

7v7 Questions

- Off side- The build out line on the attacking half of the midfield line for each team will be used to determine offside.
- Who Moves- Only the opposing team is required to move beyond the build out line.
- Delay- You can be cautioned for failure to timely move back past the build out line for "Delay of restart".
- Punt/Drop Kick- If a GK punts or drop kicks the ball, an indirect free kick will be awarded to the opponent at the spot of the infraction.

7v7 Questions

- Early Play- If the GK releases the ball before all of the opponents move beyond the build out line - play on.
- Throws- The GK may throw the ball beyond the build out line.
- Goal Kick- Opponents must be beyond the build out line for goal kicks and cannot cross the build out line until the ball clears the penalty area as usual.
- Kicking- After a save, GKs may release the ball to the ground and then pass it.

U11 and Below

- No heading in games or practices!
- Intentional heading of the ball during a U11 and below game is considered a "dangerous play" - an indirect kick will be awarded to the opponent from the point of the infraction.
- U11 and younger players that are playing up at U12 or U13, may NOT head the ball during practices or games! The coach is responsible to make sure that this does not happen.
- It is not the referee's job to check for young players.

9v9 Punting

- U11-12 Punting - Under 9v9 rules, an indirect free kick is awarded to the opposing team at the CENTER SPOT on the halfway line if the GK punts or drop-kicks the ball from his/her penalty area and it lands in the air in the opponents' penalty area.
- If the ball goes directly into the goal or bounces into the goal in violation of this rule, no goal is awarded and the ball is returned for an indirect kick as above.

Mercy Rule

Maximum Goal Differential!

- This rule applies to ALL games, U8-U19.
- If the goal differential becomes 7 or more at some point during the first half of play, for example, 7-0, 8-1, 9-2, etc., the game will be allowed to continue.
- If the second half starts with the goal differential being 7 or more goals, or if at any time during the second half the goal differential reaches 7 goals, the referee will immediately signal the end of the game and leave the field.
- The "winning" team will be sanctioned.

So What are the Changes?

Substitutions

- Just like for throw-ins, you can also now sub on corner kicks
- You can sub on a corner kick in your favor
- You can sub on a corner kick in your opponent's favor if they are also entering substitutes
- You can only sub if your substitutes are standing at midfield, ready and waiting
- You CANNOT sub on any stoppage – that is only SJGSL

Ref Eval

- The league General Membership voted in May 2019 to discontinue the mandatory ref eval program
- There is a voluntary ref comment form link on the league website
- We encourage coaches to still use it. There is no fine if you do not. If you would like us to know about particularly good referees or problems that you are having – submit the form.

Ref fees

- For the first time in 6+ years, referee fees are being revised.
- Fees are going up $10 a game ($5 for each team)
