Safety First!

U8-U10 Field Build Out Lines

- Located halfway between the top of the penalty area and midfield (Must be clearly marked on the field; you cannot use cones!)

- The build out line is used to promote playing the ball out of the back in an unpressured setting.

- When the goalkeeper has the ball for a goal kick, the opposing team must move behind the build out line. The ball cannot be touched until it passes out of the penalty area.

- When the goalkeeper has the ball during play (from the opponent), the opposing team must move outside the build out line.
  - 6 secs starts after opposing team is behind line
  - Cannot recross line until ball is “in play”
  - Ball is in play when it leaves the goal keeper’s possession (rolled, thrown or passed)

- Off side- The build out line on the attacking half of the midfield line for each team will be used to determine offside.
- Who Moves- Only the opposing team is required to move beyond the build out line.
- Delay- You can be cautioned for failure to timely move back past the build out line for "Delay of restart".
- Punt/Drop Kick- If a GK punts or drop kicks the ball, an indirect free kick will be awarded to the opponent at the spot of the infraction.

Answers to Common Questions

- Early Play- If the GK releases the ball before all of the opponents move beyond the build out line - play on.
- Throws- The GK may throw the ball beyond the build out line.
- Goal Kick- Opponents must be beyond the build out line for goal kicks and cannot touch the ball until it clears the penalty area as usual.
- Kicking- After a save, GKs may release the ball to the ground and then pass it.

Answers to Common Questions

Heading

- U11 and younger: **No!**

- Intentional heading of the ball during a U11 and below game is considered a "dangerous play" and it will result in an indirect kick being awarded to the opponent from the point of the infraction.

- No heading in games or practices!

Heading

- U11 and younger players that are playing up at U12 or U13, may NOT head the ball during practices or games!
- The coach is responsible to make sure that this does not happen.
- It is not the referee's job to check for young players.
